Re: Malahide Garda Station Opening Hours

Following a recent Government decision concerning the closure of certain Garda Stations across the country I would like to dispel a number of concerns regarding the Garda Service at Malahide.

Significantly Malahide Garda Station has not been nominated for closure. However the Public Office at Malahide Garda Station will close to the Public between the hours of 10pm and 6am.

Effectively this will only mean that the Public will not be able to get forms stamped or make reports in person at Malahide Garda Station between 10pm and 6am. In addition the non-emergency phone lines at Malahide will be diverted to Coolock Garda Station who will dispatch Malahide Garda Units to non-emergency calls. Emergency 999 calls will continue to be directed through the Garda Command & Control System to local patrols who will continue to police Malahide, Portmarnock, Seabury, Kinseally and Drynam areas as before.

The manpower allocation of Gardai at Malahide will not be affected and the Garda service will remain exactly the same. Gardai will continue to use Malahide Garda Station on a 24 hour basis and will continue to parade for duty and operate from there. In essence the only difference will be that the Garda deployed on desk duties from 10pm to 6am will be redeployed on active patrolling to augment the current policing of the Malahide Sub-District.

I trust this clarifies the situation.
