

Monthly notes from Malahide Community Forum November 2015

1. Planning/Development Issues-

- There are no new cases of concern for us currently.
- FCC has advised that the unauthorized sign at The Beachcomber, Main Street has been removed.
- FCC is proposing a Forest Adventure Centre & Multi-Use Reinforced Grass area in Malahide Demesne.

2. Transport Issues-

- We are still waiting to hear from FCC regarding a meeting to discuss the sixteen different issues around transport in Malahide requiring attention.

3. Environment Issues-

- An update on The Casino & Broadmeadow Cycle-way can be found on our website.
- The Forum was not in anyway involved with The Christmas Kingdom. If anyone has any issues they should direct them to Fingal County Council's Paul Barnes or Stephen Peppard.

4. Neighbourhood Watch-

- November's meeting had an interesting talk about 'Internet Security' for parents, teachers & children. See Websites: <http://www.webwise.ie> & <http://www.netsmartz.org/Parents>
